## **HWANG “BLOSSOMING” ART EXHIBITION FOR MINERVA FOUNDATION**

Vancouver-based Korean artist Kelly E. K. Hwang recently presented her artistic visions in “the Blossoming”, an invitational debut art exhibition at the Conway Room of the Shangri-La Hotel held June 14, 2010.

One of Ms. Hwang’s 22 floral paintings was auctioned to benefit The Minerva Women’s Foundation of B.C. The painting “Wine and Love” raised \$6,050. The exhibition also showcased the music that inspired several of the paintings with the special performance of concert pianist Ms. Dorothy Uytengsu on a Fazioli piano.

The paintings explored the connection of the magnolia blossoms to the various aspects of human life.
